
Laptop Specifications

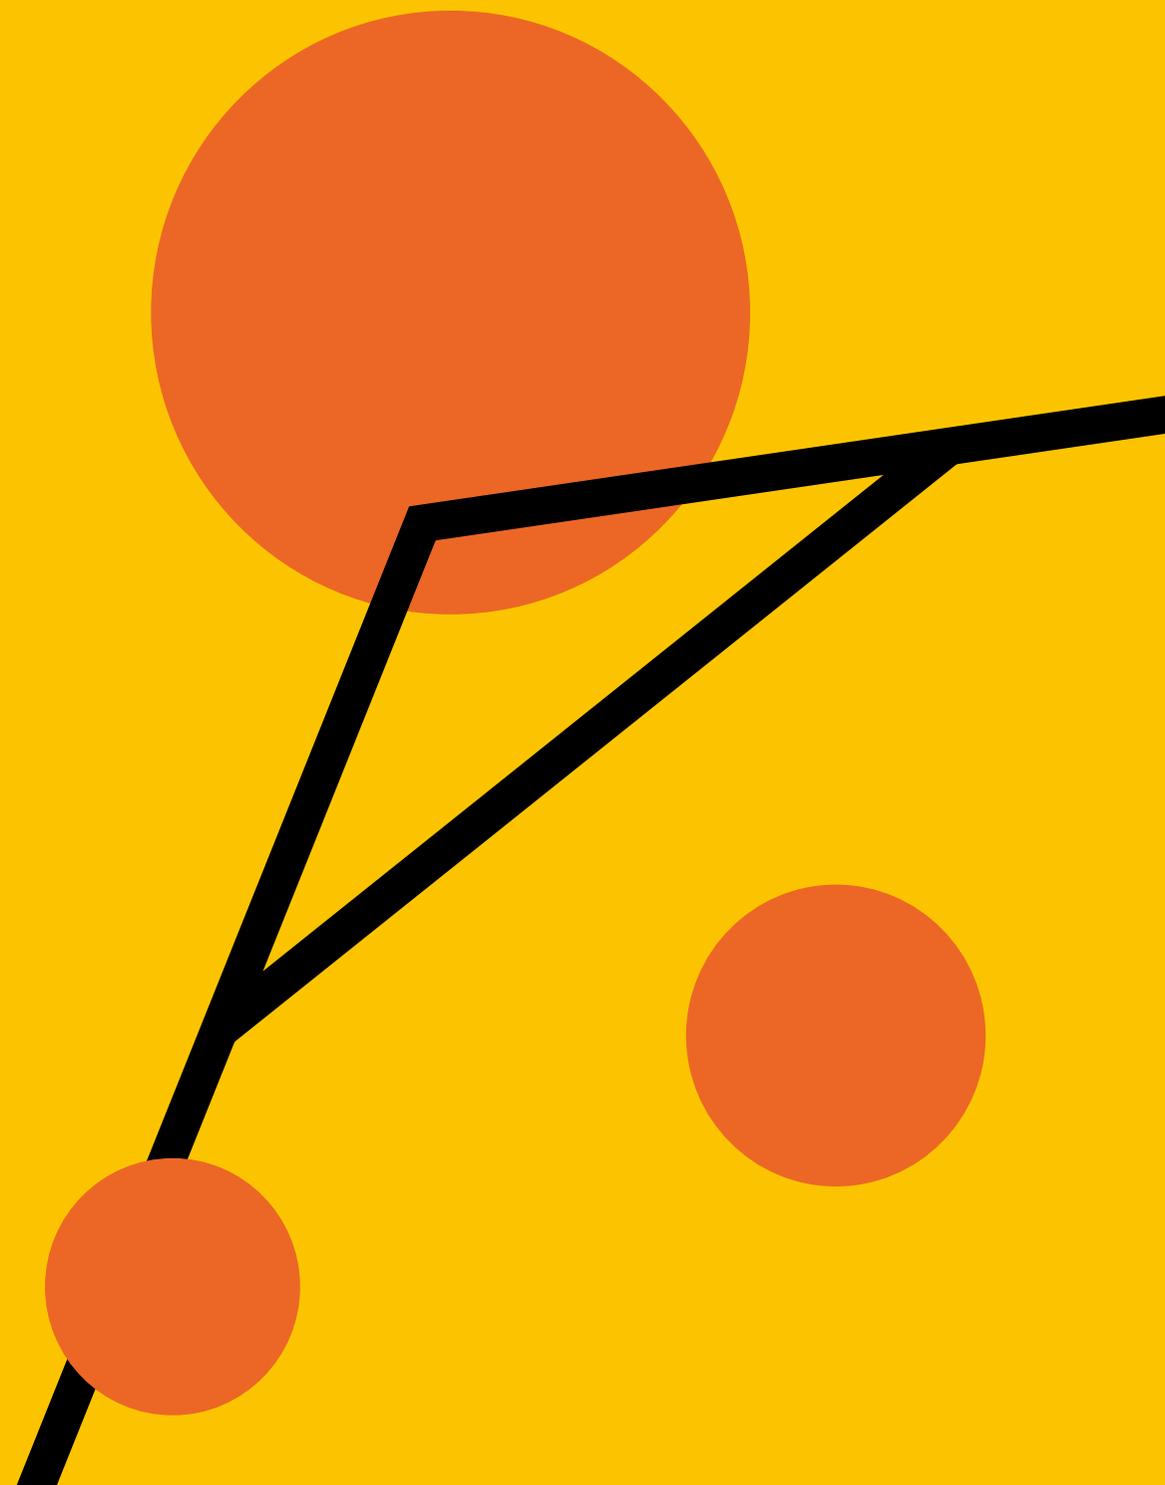

2025 entry

These specifications are recommended to ensure that your laptop can run the programs that your course uses. For questions about these specifications, please email hello@rave.ac.uk or speak to your course leader during your first week.

Aspire

We have partnered with the largest, specialist Higher Education retailer in the UK, [Aspire](#), to offer discounted equipment and funding for course equipment including laptops. You will be able to log in once you have your Ravensbourne email.

All home, undergraduate students receive £100 credit on their Aspire account within four weeks of enrolment. Students with a household income of £25,000 or less, as declared to Student Finance England, will receive an additional £400. This funding will be automatically added to your Aspire Account.
